DEVELOPMENT TEAMS

TERMS OF REFERENCE

BACKGROUND

One Northern Devon was formed in 2016 to collaborate across the public, voluntary, community and business sector on issues affecting the residents of North Devon and Torridge. In March 2019, the partnership received funding to put a small team in place to deliver agreed objectives. These objectives included creating a 10 year quality of life strategy.

A SYSTEM NOT SECTOR STRATEGY

"Interventions to tackle health inequalities need to reflect the complexity of how they are created and perpetuated, otherwise they could be ineffective or even counterproductive. Evidence shows that a comprehensive approach can make a difference. This includes, but goes well beyond, the health and care system." **- King's Fund**

ONE NORTHERN DEVON VISION

One Northern Devon brings together a full range of partners to use every opportunity and advantage we have in Northern Devon to rebuild a way of life that is fairer for all.

Our vision is that people in Northern Devon live **happy, healthy & fulfilled lives** through **equal opportunities to the best education & employment** whilst **living in decent homes, in safe, clean & connected communities**, enjoying our **world-class natural environment**.

10 PRIORITIES

We aim to tackle these inequalities together through interventions addressed at 10 priorities:

THEME	PRIORITY	LEAD PARTNER
Health & wellbeing	• Obesity/healthy weight (pg 2)	Devon CCG
	• Loneliness (pg 3)	NDVS & TTVS
	• Crisis prevention and support (pg 4)	D&C Police & Devon PH
	• Child poverty (pg 5)	Action for Children
Safe, clean sustainable places	• Fuel poverty (pg 6)	361 Energy
	• Climate emergency (pg 7)	North Devon Biosphere
	• Strong and resilient communities (pg 8)	
Economy, employment & skills	• Supporting local employers (pg 9)	ND+
	• Local supply chain development (pg 10)	North Devon Biosphere
	• Increasing employment opportunities (pg 11)	

Purpose of One Northern Devon Development Teams

Development teams will lead the implementation and ongoing development of the priority areas within the three One Northern Devon themes as outlined in the OND 10 Year Wellbeing Strategy 2020 - 2030:

- Health and wellbeing
- Safe, clean and sustainable places
- Economy, employment and skills

The Development Teams need to be:

- Delivery focussed
- Interactive between meetings
- Nimble to respond to immediate needs and spotting where gaps exist

Role of the One Northern Devon Development Teams is to:

- Provide oversight and support for the teams leading the delivery of the initial priority projects identified under the Development Team theme within of the 10 year wellbeing strategy
- Continue to widen engagement across Northern Devon around the theme area
- Use their expertise and understanding of current provision and knowledge of future planning to develop other proposals to meet the long term objectives of the theme
- Identify resources and funding opportunities that will help deliver the objectives
- Set a framework that future-proofs the work and takes a longer term 5 - 10 year view that individual organisations may not be able to take

Membership of One Northern Devon Development Teams

Health & Wellbeing

Cllr Barry Parsons (Chair) – Devon County Council
