For programme reports please see [OND Board documents](#)

- Tackling health Inequalities through physical activity (THIPA) - Sport England & Active Devon are focusing on North Devon as a place, with further investment to come.
- Healthy weight and activity forum - Active Devon attend this

OC updates

See [June Place report](#)

T100

- 'Torrington together' networking forum (aim is quarterly)
- Calendar of events
- Community centre feasibility study, hoping to work with co-lab in Exeter/TTVS

One South Molton

- are hoping to get an initiative going in South Molton to reduce the prevalence of weeds on the pavements and roads, and Emma from DWT has been helpful in getting some momentum.
- Woodland Walks that will be starting in South Molton, similar to those that take place in Braunton. We are bringing together various organisations to deliver this, and hopefully get people more active outside.

Big Autumn Sow. free wildflower seeds! for communities! Register interest here:
<https://forms.office.com/Pages/ResponsePage.aspx?id=IGj0fdE29E-x7S4rNW...>

Aimed at groups of people - doesn't have to be wildlife focussed group. Could be workplaces, schools, etc. We'll be promoting the seed hubs where they can collect their free seeds. very soon!

Barnstaple alliance (primary Care) Sharon Bates

- Targeting patients with deprivation markers - vaccine outreach team trained up to do physical health checks (freedom centre + each of 4 GP practices)
- Dementia support workers fundraising - just giving page - on the lookout for grants to keep dementia support worker in post
- BAPCN focusing on physical health checks for inviting pts with deprivation markers who may not come to the GP for other reasons. Health check day being held at the Freedom Centre and one day in each of the 4 practices. To see if this more targeted input is useful
- BAPCN Patient Participation Group fundraising for our dementia support worker as central funding has ceased. Keen to keep the service for our pts- any help in promoting fundraising or ideas for grant applications would be great.
